EXPERIENCE

IP SUPPORT ENGINEER [CEDARVIEW / AIRTEL ENTERPRISE NETWORKS PROJECT AND OPERATIONS]
2017 – Date

As the Team Lead of the Cedarview contingent on the Airtel Enterprise Networks, it was my responsibility to coordinate and control the team members towards the attainment of the two companies' goals. I manage the Network Monitoring System (PRTG), fetch IP and status information from Routers and Switches to support projects and Operations. Configure devices for PoC at Customer locations. Manage E1 Converter CPEs and their Aggregators. Provided Internet Connectivity for the Facebook Team from San Francisco for the Facebook Live Coverage of Femi Kuti's Guinness World Record Event.

NETWORK ENGINEER [CEDARVIEW COMMUNICATIONS LIMITED]
2011 – 2015

Design and Implementation of Wireless (Campus Area Networks) for Tertiary Institutions and Wireless Last mile solutions. Structured Cabling. Field support for Telecommunications Organizations. Provided Wireless Internet Coverage for the 2013 and 2014 editions of the Glo/CAF Awards
